

<p> <span style="font-size:
14px;">By using some or all of the cutting and drilling techniques available to us, we are able to
demolish all or part of buildings and structures without any damage to surrounding or adjoining
buildings.</p>
 <p> Each project is unique and
we have the expertise, knowledge and equipment to undertake complex demolition tasks.

 Our management team can advise as to the suitability of each particular technique to
the proposed project.</p> <p> ♦</p> <hr /> <p> <span style="font-size:
