

Concrete Cutters is one of the UK's leading specialist concrete cutting and drilling contractors with over 42 years experience in the field. We offer a nationwide service at competitive rates and a proactive approach to the needs of our customers and clients.

Our team of expert operators have a high level of technical skill and every contract is personally assessed and supervised by a specialist to determine the most suitable method for each set of circumstances. This attention to detail ensures a cost effective, efficient and top quality result.

We use the most modern and up to date equipment and are constantly in touch with our suppliers to research and develop new and improved techniques and machinery. This enables us to provide a complete service to all our customers.

We run a comprehensive fleet of modern vehicles with satellite tracking which are fully equipped to respond immediately to clients requests throughout the UK and our team are prepared to work out of normal hours, during holiday periods and weekends when the need arises.
